HP Snapfish unveils 'Mother's Day collection'

May 6, 2009

This Mother's day, HP Snapfish (www.snapfish.in) - world's leading consumer online photo service - has unveiled a Mother's Day special collection comprising - Collage Magic Mugs, Photo Notebooks and Collage Mouse pads. Pick an ideal gift for your kinda Mom.

For 'the Executive Mom' - Photo Notebooks, Collage Mouse pads

The Executive Mom is the working mom who spends a major part of her day away from her family. Get her a gift that is reminiscence of her dear ones and at the same time allows her to work more comfortably and successfully in her office. Present her with a personalized Photo Notebook and Collage Mouse pad from HP Snapfish. Priced at Rs 349 and Rs 299, the Notebook and Mouse pad come at a mother's day special price of Rs 299 and Rs 172 respectively.

For 'the Adventurous Mom' - Collage Magic Mug, Canvas Prints

This Mom likes surprises and out-of-the-box gifts, so amaze her this mother's day with some magic from the house of HP Snapfish. Create a personalized 'Collage Magic Mug' for her - an otherwise black colored mug, it creates 'magic' and displays a picture collage of your dear ones as soon as a hot beverage is poured into it. Priced at Rs 699, the mug comes at a mother's special price of Rs 499 . Another innovative gift option for her can be 'Canvas Prints' which can be availed at a fabulous 15% mother's day discount.

For 'the Conventional Mom' - Calendar, Collage Poster

If conventional gifts are the ones which click with your Mom, then HP Snapfish brings to you creative photo calendars and collage posters. While photo calendars are available in three different sizes and have options to customize dates with text and photos; the Collage poster creates a multitude of your special moments. Both the gifts can be availed at an exciting 15% mother's day discount.

Steps to create 'Personalized photo gifts'
