

Printers get touchy

HP India heralds next generation of printers with touch technology

HP Touchsmart, a new range of touch-enabled Photosmart printers from Hewlett-Packard India are all set to bring the magic of touch technology to your printing needs. HP India recently unveiled the HP Touchsmart series at a glittering launch in New Delhi. Globally renowned fashion designer Ritu Beri presented a new, chic and elegant ensemble inspired by the bold looks and splendid design of the Touchsmart line-up. Each of the touch-enabled printers – HP Photosmart Premium C309G All-in-One, HP Photosmart Plus B209A All-in-One, HP Photosmart C4688 All-in-one and HP Photosmart C4788 All-in-One printers – comes equipped with its own star features making printing intuitive and effortless.

HP PHOTOSMART C4688 ALL-IN-ONE

The HP Photosmart C4688 All-in-One features a 3.6 cm color display and HP TouchSmart frame for simplicity and convenience. Built for efficiency, it also includes several features for "goof proof" printing such as the HP Photo Print Gadget – which allows users to simply drag and drop photos to a desktop icon from virtually anywhere on a PC – saving time and reducing errors.
Gimme: Rs. 6267

HP PHOTOSMART C4788 WIRELESS ALL-IN-ONE

The HP Photosmart C4788 Wireless All-in-One offers the easiest wireless set-up – simply touch one button for the freedom to print from virtually anywhere in the home. The 3.6 cm color display and HP TouchSmart frame make it easy to produce lab quality photos, everyday documents, copies and photo reprints.
Gimme: Rs. 7570

HP PHOTOSMART PREMIUM C309G ALL-IN-ONE

Featuring an 8.6 cm touch-screen, this versatile all-in-one can easily print, copy and scan everyday documents and lab-quality photos. Right from accessing your photos from online albums at Snapfish and connecting to the Web via pre-loaded HP apps – with or without PC and direct printing from iPhone, the Photosmart gratifies your craving for individuality and creativeness. This Energy Star® qualified all-in-one enables upto 50 per cent paper-savings with automatic two-sided printing.
Gimme: Rs. 13350

HP PHOTOSMART PLUS B209A ALL-IN-ONE

The full-featured HP TouchSmart control panel and 6 cm touchscreen on the HP Photosmart Plus All-in-One allow you to wirelessly print photos, web content and everyday documents with the touch of a finger. You can use the TouchSmart control panel to rotate and crop photos, adjust brightness or apply color effects before printing – no PC necessary!
Gimme: Rs. 8999
