PERSONALISE YOUR KIDS STUFF

Turn your kid's favourite moments into stylish school merchandise and add zing to his/her school life. Take your pick from the photo notebooks, sporty water bottles and stickers. The photo notebooks are stylish, easy to carry and can be customised with your child's picture. A sip from the personalised sporty water bottle will not only quench their thirst when they are out on expeditions but will also pep them up with their own picture smiling back at them. You can also personalise your kid's school gear with stickers made of his/her own picture. Let your kid become the 'talk of the class'.
