HP Snapfish (www.snapfish.in), the world's consumer online photo service, has once again unveiled a new initiative – HP Snapfish Canvas Prints - to brighten up one's home by transforming one's photo to art on canvas with artistic photo portraits or panoramic landscape shots. With a range of sizes to choose from, the canvas prints are an ideal choice to not only adorn your home but also as an innovative gift option. The prints start at an affordable Rs 899.

According to Michael M.Bala, Country Manager, Snapfish India, Hewlett-Packard India Sales Pvt. Ltd. said, "Everybody dreams of artistic photo prints at an affordable cost for himself or for near and dear ones. HP Snapfish Canvas helps in realizing this dream by transforming digital prints into canvas photos with outstanding image quality and precise color thereby allowing consumers to liven up their homes with the photographs that they love the most."
