HP Snapfish ([www.snapfish.in](http://www.snapfish.in)), consumer online photo service, has unveiled a new initiative—the HP

Snapfish Canvas Prints. You can now brighten up your home by transforming your photos to art on canvas with artistic photo portraits or panoramic landscape shots. With a range of sizes to choose from, the canvas prints are an ideal choice to not only adorn your home but also as an innovative gift option. The price are a bargain at Rs 899 for square canvases of 12, 16 and 24 inches, Rs 999 for rectangle canvas prints (12"x18", 16"x20" and 20"x30) and Rs 999 for long rectangle canvas prints of 12"x24". Each print of matte canvas offers outstanding performance with impressive durability, handling and water resistance. The prints are made with stretchable, cotton-poly blend canvas and the images have a specially engineered, pigment-ink-receptive coating that resists fading for more than 200 years.
