**New Delhi** Indeed you miss good old childhood days spent with your lovely sister. It's again that time of the year which pricks your nostalgia and takes you back in time.

If you are still hunting for the perfect Rakhi gift, then why not gift your sister a bouquet of memories from the best time of her life.

Catch hold of all your childhood pictures and gift her on Rakshabandhan along with a Photo Gift Certificate from Snapfish and let her create photo memorabilia of her choice from a vast collection comprising – photo calendars, mugs, magic mugs, t-shirts, key rings, mouse pads etc.

Available in several denominations, the Snapfish Gift Certificates can further be customized with your favourite picture and a personal greeting. One can either choose to send the gift certificate through email, or print a voucher and share it in person to your sister.

All she has to then is just log on to [www.snapfish.in](http://www.snapfish.in) and create a mug or a calendar or a collage mouse pad with her favorite photos and the same will reach her doorsteps in another couple of days.
